

# 97TH MINNESOTA FFA STATE CONVENTION

## APRIL 20-21 | TWIN CITIES

### **Advisor/Chaperone/Adult Guests Registration:**

#### **WITH A CHAPTER: TWO DAY REGISTRATION**

All Advisors, chaperones, and adult guests from a chapter can be added to the Chapter Registration in Judging Card in bulk by selecting the number of adults attending convention. We will be requesting contact information for chaperones and advisors as convention comes closer. The recommended ratio of adults to students from the University is 1:15 for High School.

Pre-registered adults are \$20 for two day registration and will each have a button (different from member buttons) in your chapter registration packet.

#### **ON SITE GUEST REGISTRATION: PER SESSION**

**Onsite guest registrations are \$10 per session and guests will receive a session sticker.** This registration will be found in the lobby of Mariucci at the Registration Table! Guests can pay onsite with cash or credit card!

Mariucci security will not allow anyone into the sessions that don't have a button or a session sticker. If your adult guests will be attending two or more sessions it will be much easier/faster for them if the chapter pre-orders them a button instead of doing on-site registration.
