

Where Does your

PIZZA

come From?

Do you know where the things you eat, wear and build with start out? Farms, fields and forests produce our agricultural products. Most of these products must be processed in some way before we can use them. Processing changes raw agricultural products into thousands of things we use every day.

Source of Product Word Bank

- milk
- pork
- tomatoes
- wheat
- wood
- beef cow

Draw lines to match the source of product with the pizza part. Using the word banks, write the word for each.
