

Dormitory Rules and Regulations

Dormitory space is made available by the State Fair management for the convenience of FFA members exhibiting livestock. Observation of the following rules will make the stay of everyone at the State Fair, as space permits, more enjoyable and pleasant.

- 1) Dormitories are made available by the State Fair **ONLY** for FFA members exhibiting livestock and their advisors (or their adult representatives). This adult **MAY NOT** be another exhibitor, and non-advisor chaperones must prove they have passed a school background check to be allowed in the dorms.
- 2) Advisors must submit dormitory requests to the Dorm Assistant Superintendent on or before the published deadline. Dorm space will be filled on a first-come, first-served basis. If the dorm spaces fill, or if the dorm registration form is received after the deadline, exhibitors will be required to find lodging off the grounds.
- 3) Separate dormitory accommodations will be provided for male and female exhibitors.
- 4) All exhibitors will be assigned bunks in the dorm, and they are expected to be in them prior to curfew each night unless permission is granted by the State Advisor or FFA Superintendent. Only the instructor (or their designated representative) will receive these assignments and all in one block. Chapters wishing to bunk together must submit a dormitory reservation form(s) signed by **ALL** advisors.
- 5) The teacher (or designated representative) with FFA members in the dorms **MUST** also stay in the dormitory during the FFA weekend.
- 6) Food or drinks are **NOT PERMITTED** in the dormitory.
- 7) Lights will be turned out at 11:45 p.m.
- 8) Smoking, vaping, the use of alcohol or other chemical substances, including smokeless tobacco, is **NOT PERMITTED** by FFA exhibitors.
- 9) Admittance to the dormitory is by colored and numbered wristband only.
- 10) Exhibitors will not throw objects out of the dormitory windows or hang articles of clothing or display any item outside the window.
- 11) Chapters using a herdsman are to include the name(s) in the Dormitory requests.
- 12) Dormitories will be **closed DAILY** from 9:00 a.m. to 12:00 noon and 1:00 p.m. to 4:00 p.m. for cleaning.

If it is found that members from a chapter cannot observe the general rules of good conduct, it will be necessary to refuse entries to the individuals for the following year. If you should have questions concerning housing in the dormitories, check with the Dorm Assistant Superintendent, Stephanie Brandt.
