

# Phone Interview TIPS

01

Hello!

## Answering

When answering the phone it is important to answer with your name. Example: "Hello this is Emma". That way the interviewer knows they are talking to the right person.

## Integrity

Make sure that you are always answering the questions truthfully. Do not exaggerate your experience.

## Questions

Have questions planned before the call.  
Examples of good questions -

1. What do you recommend I wear to an on-site interview?
2. What is your favorite part of your job?
3. Should I check in with anyone when I arrive?
4. Is there someone I should call if I can't find the building?
